

**CANNABISHUB**

powered by Cleveland School of Cannabis

The Cannabis Hub and the New American Chamber of Commerce Education program is designed to help New Yorkers gain knowledge so they can take advantage of the opportunities in the cannabis industry. Residents interested in a cannabis career will learn the basic of the cannabis industry.

**Cannabis classes include:**

- Basics of Horticulture (BOH)
- Advocacy (ADV)
- Basics & Dispensary Experience (BDE)
- Pest Remediation (PEST)
- Post Processing (PPROC)
- CO2 Extraction (C02EX)
- Cooking and Infusion (COOK)
- Ethanol and Hydrocarbon Extractions (EHE)
- Glandular Trichome Science (GTS)
- Grow Environments & Outcomes
- History (HIST)
- Intro to Cultivation (CULT)
- Know Your Cannabidiol (KYC)
- Mechanical Extractions (MEXT)
- Terpenes & Cultivars (T&C)
- Cultivation Bundle (CULT\_BDL)
- Dispensary Bundle (DISP\_BLD)
- Processing Bundle (PROC BLD)

**Cannabis Hub, powered by Cleveland School of Cannabis, and New American Chamber of Commerce**

are excited to announce their partnership to provide cannabis education to residents of New York.

**APPLY TODAY!**
